

## The Hong Kong Award for Young People Chinese New Year Flower Market

The Hong Kong Award for Young People was glad to celebrate the Rooster Year with the public by setting up a stall at Kwun Tong Chinese New Year Market from 3-8 February 2005. Our product list included lucky-chick windmill, egg-shape rubbish bin and toothpick holder, trendy watch etc. It had been festive days with thousands of visitors and AYP supporters visiting our stall.

The Flower Market stall was organized by 20 AYP participants in a voluntary base. Preparation work was started since October 2004. From planning, sourcing, getting sponsor to operations, the working group had demonstrated their team spirit and creativity. Special thanks should be given to our donors, volunteers and all the visitors.
